

In the Specification:

Please amend the title as follows:

AN LC OSCILLATOR FORMED ON A SUBSTRATE

Page 4 line 24 through page 5, line 2, please replace this paragraph as follows:

FIG. 1 is a circuit diagram showing a configuration of an LC oscillator according to an embodiment. An LC oscillator 10 shown in FIG. 1 has a transistor 20, a capacitor 22 connected between the base and the emitter of the transistor 20, a capacitor 24 connected between the emitter and the collector of the transistor 20, a capacitor 26 connected serially between the [emitter] base and the collector of the transistor 20 and an inductor element 30.
